samvaad

Monthly Student Connect Program

At Millennial Premium Living, we believe in fostering open communication and creating a space where every voice is heard. SAMVAAD is our exclusive monthly student connect program, designed to bring residents closer to the core teams that shape their living experience.

In these interactive sessions, residents have the opportunity to engage directly with key representatives from our Food, Operations, Facility, and Maintenance teams. It's a dedicated platform for sharing thoughts, feedback, experiences, or any concerns, ensuring that every aspect of student living meets the highest standards.

SAMVAAD isn't just a platform—it's a bridge to continuous improvement. At MPL, we are committed to delivering exceptional comfort, convenience, and care, making your stay truly enriching.

Meet Our Happy Residents

I have been living at Millennial Moonstone for past two years and honestly it's been amazing. Talking about the facilities, their rooms are always clean and modern, the Wi-Fi is super fast which is essential for my online classes. They have well-maintained gym, laundry and an open kitchen. A lot of people worry about safety especially in a new city, but the moonstone has 24X7 security. It is easy to go to my college which is Mount Carmel. I highly recommend Millennial Moonstone.

**- Manika,
Student of Mount Carmel**

I am studying BCA Honours from RV University and living at the Millennial Blue Opal Hostel for the last one and a half year. The food provided is very good and the management is giving a lot of good facilities and amenities. The Wifi speed is also good, the distance between the college and hostel is walkable, just 2 minutes away and they provide 24x7 security.

**- Santrupt,
Student of RV University**

Millennial Amber, the PG located at Vasanth nagar, Bengaluru is a very good PG with all the facilities. My daughter is staying in that PG for the last 2 yrs. She is finding her stay comfortable. She feels at home in the PG. The food is also okay. The PG has a strict monitoring system in place by which they keep an eye on the movement of the students.

**- Jaideep Das,
Parent of a Resident**

I am student of RV B.Tech SOCSE and I have been living in the Topaz Millennial Hostel since the last two years. Overall I have been extremely satisfied with my stay over here. It is a very safe and secure hostel and our warden is a very nice and kind person. She always addresses all of our problems at hand whenever we call her. The hostel has 24x7 security and maintain surveillance all the times. A wonderful staff in the kitchen who always provide us with anything we want to eat. The food quality over here is very good. We have a variety of both north and South Indian dishes. We have a kettle, a microwave, we have an electric stove, an iron board, a fridge, all of that. It's a comfortable and a nice place and it's a perfect place to call home.

**-Gayathri Mishra,
Student of RV University**
